

STIFTUNG KORBGEMEINSCHAFT  
HILFE FÜR SYRIEN

## Solidarity with the Syrian people!

*Whatsoever you did for one of the least of these brothers and sisters of mine,  
you did unto me. (Mat 25,40)*

The war, the economic sanctions and the Covid pandemic have pushed the people in Syria into bitter poverty. Today, more than 90 percent of the Syrian population live way below the poverty line. The average monthly salary is currently less than EUR 15. It is virtually impossible to survive with this amount, let alone to provide for a family. Everything has become expensive. Today, people in Syria urgently depend on help for food, medicine and rent. Without help from abroad, many people will perish in these dire humanitarian circumstances. Families who have relatives abroad receive support from them from time to time. However, there are countless poor and impoverished families who are without support from abroad.

**With €25, 1 family can be provided with food for 1 month  
and can thus be saved from famine.**

Please help to save the lives of those in need in Syria!
