

STIFTUNG KORBGEMEINSCHAFT HILFE FÜR SYRIEN

Two Projects for our brothers and sisters in Syria

The devastating war has caused horrible poverty to the people in Syria. Today, more than 90% of the population are living way below the poverty line. The humanitarian situation today is almost unbearable. The Christians in Syria are hoping and praying for support from charitable people abroad.

The foundation „KorbGemeinschaft - Hilfe für Syrien“ is trying to strengthen the Christians by numerous projects. Currently, two special projects urgently need your support:

1. The social „Charity Markets“

Many poor families are provided with basic food and hygienic items free of charge.

2. School material for children

Better school education is the key to a better future. Thousands of poor children are receiving writing materials.
